Our service for investors

As part of the promotion of the economy, we serve as your guide and offer reliable business services as well.

You will receive support in the selection of an appropriate business park and commercial site.

We provide contacts from the city and municipal administration, building control and urban use planning for the District Bergstrasse as well as government agency in Darmstadt.

Furthermore, we cooperate with financial institutions, as well as business associations and organisations. Take advantage of our know how and our contacts to the HessenAgentur, the RKW, the Investitionsbank Hessen, the Buergschaftsbank Hessen, the IHK Darmstadt Rhein Main Neckar and the Handwerkskammer Rhein-Main.

We are looking forward to answer all your questions regarding establishment of a business location in the economic region Bergstraße. Make an appointment for a first advisory session today!
